

Commitment for Excellence™

Handwritten comments on student feedback forms

- ▷ I commit to make this company the best in the industry. This is a rebirth for me, and I intend to see it through.
- ▷ Thank you for a "one of a kind" course. Let's get the show on the road. No problem with being passionate about this!!
- ▷ I really enjoyed your presentation, it opened my eyes and refueled my desire, I care and want to make a difference.
- ▷ Great job with the total presentation. This may be the kick needed to continue implementation of the tools necessary to achieve our job. Refreshing recall to build enthusiasm for change.
- ▷ This can be the salvation of our company, and produce a world class company.
- ▷ Very good- It is nice to learn from someone who knows the subject & is a good motivational speaker – you can rival Tom Peters.
- ▷ One of the best I ever attended. Anything Milt said was as clear and precise and understandable as it could possibly be.
- ▷ I feel we can not start soon enough to implement this program. The benefits are enormous, and will affect the strength of the company and the commitment of the employees.
- ▷ Incredible! I appreciated your emphasis on the fact that this is a philosophy, commitment to excellence and not just a new computer system!
- ▷ Milt- talk about passion, you wrote the book!
- ▷ Fantastic, just what the doctor ordered. The broad and deep experience of the facilitator brought so much credibility. The personal stories made such an impact. Thanks so much. God Bless.
- ▷ Outstanding presentation from all aspects. Milt provided an eye opening experience.
- ▷ Material and presentation were great! Helped uncover many areas of current business practices that require improvement.
- ▷ This is going to work! It's about time we addressed the challenges and moved forward.
- ▷ This is the type of program that will make us the industry leader.
- ▷ Glad to see an instructor that actually knew what business we are in!
- ▷ Outstanding!!!! Kept my interest throughout, encouraged feedback, simply the best!
- ▷ Thank you for your passion! It's obvious you care about the success of your work & our progress. Your sensitivity to people fits our needs & our beliefs. I look forward to give you updates.

- ▷ Very enthusiastic. I looked at things differently from a process/"big picture." This effects my job in sales more than I thought going into the class.
- ▷ Complex material was broken down and explained in a very clear and precise way. Made MRP much more understandable.
- ▷ Excellent presentation. The stories kept me more alert and active. I really appreciated the effort.
- ▷ This is the type make us the industry leader. We must shift our paradigms & this is a way of doing this. Great program.
- ▷ Doumo Arigatou Gozaimashita Doumo! Doumo!
- ▷ I am convinced all attendants felt MRPII was important, and we should do this right away.
- ▷ I am glad to know that what I have always wanted to implement for this company now seems to be given a methodology for execution. I am enthusiastic as well as committed.
- ▷ Milt knows his stuff. High credibility, and supported by management experience; he is just a consultant, but he's lived it, and made it work.
- ▷ I sincerely hope that support from Unbeaten Path will be continual throughout our attempts to implement MRP. I am positive that we will need reminders and honest assessments of our progress if we are to not be among the 75% of companies who do not take MRP through to completion. This was a fantastic presentation and thank you.
- ▷ Milt did an excellent job of viewing MRP from all department views (concerns & opinions). Would like to see presented at other levels of employees.
- ▷ Can't wait to implement, I know it can work if we work as a team & most important if upper management/champion supports the program.
- ▷ Wonderful sense of humor, good antidotes.
- ▷ I have seen the benefits of MRP and measurements in the past. It will make everyone work more closely together. Everyone will realize their dependency on each other.
- ▷ The clear understanding of the goals we must achieve are much more than the need for software.
- ▷ Milt was a very convincing speaker, its obvious he is a true believer.
- ▷ Excellent presenter. Made dry content fun. Has passion for work and cares. Very refreshing
- ▷ Milt's presentation of the material was great, and much enjoyed.
- ▷ Excellent presentation. I am looking forward to implementation.
- ▷ Anything Milt said was as clean, precise, and as understandable as it could possibly be.
- ▷ I can't wait for implementation.
- ▷ I know we can benefit from this material if everyone gets behind it. This is really what we need.

- ▷ A move forward for the company.
- ▷ This will be a success if all divisions get involved.
- ▷ Our company needs MRPII to survive. Absolutely imperative. Opportunity abounds!
- ▷ This is a must for our company.
- ▷ Great job lets start!
- ▷ Let's do it!
- ▷ I can definitely see the long-term benefits of this in every aspect of our business,
- ▷ A great challenge has been issued, it will be exciting to be a part of this team.
- ▷ It is not only important to have the best in our company, we have to have the best in our industry!
- ▷ I must tell you that after the presentation, I very strongly feel that I am proud to be a member of the Beaulieu Organization, and also feel we are heading to become the world leader in carpet manufacturing.
- ▷ A great seminar identifying the many areas where we need to concentrate to become a world class company in our sector congratulations.
- ▷ Excellent presentation, very good contents, excellent speaker, promotion for the future, good vision.
- ▷ Very good concept, very good presentation.
- ▷ I am real interested by this project, and I believe that we can achieve our goal to implant this new thinking in our daily operation.
- ▷ I believe it's going to work.
- ▷ MRPII will improve a lot of company profitability. I would be happy to join the leading team or help in my plant.
- ▷ It would be a pleasure to be a part of a group that will participate in making this happen.
- ▷ Ambitious! Very exciting!
- ▷ If all the people in our company can be confident that MRPII must be implemented to be competitive, this will be a great success.
- ▷ Milt did a very good job in researching our business prior to this presentation which helped in his understanding & appreciation of how & where this material can help Tower Automotive. Would recommend this seminar/presentation at front end of QAD training for all business units.
- ▷ Good job linking MRPII systems to shop floor activity! Strong emphasis on elimination of waste/inv. Through use of process improvement.
- ▷ It gave me a different perspective of what this is all about.
