

Nicolet Class of '68 Resurrection

Index to information about our 50th Reunion

Our 50th reunion is planned for **August 3 – 5, 2018**. We are very hopeful that you will make time in your 2018 summer schedule to attend at least some of the reunion functions.

This web presence is new and therefore has more blank spots and information voids than it should. We're going to continue working on expanding the content and refining the detailed plans for our August reunion. Please come back to this URL multiple times to keep up with new postings as information emerges. For example, we anticipate that the database of classmate names and contact information will be updated frequently as fresh information is discovered and as you help us re-locate lost friends.

Please click on the red check boxes to drill down into specific content.

Content Synopsis	Click Here
