The following six news releases are ready for access. The final row in the table clicks through to access historical news.

News Story Synopsis	Click Here
Net changes to ERP LX v8.3.5 user security functionality are a disappointment. Unbeaten Path's By Invitation Only software remains clearly superior to vanilla v8.3.5.	✓
Lickety-Split automates interactive transport of Excel data to the green screen app that would otherwise be used to keypunch data.	✓
A major upgrade to Bucket Brigade has been finished. It provides sales forecasting in Excel with an automatic upload to the KRM file.	✓
Stitch-in-Time version 6.9 has been released. Please contact Unbeaten Path to receive download advice/instructions.	✓
Capable-to-Promise enables reliable delivery promises to customers for out-of-stock items without calling manufacturing planning staff.	✓
Air-Way Manufacturing announces >99% reduction in customer past due after consulting engagement with Unbeaten Path	✓
